The staff of the 1957-58 SHIELD takes pleasure in introducing Lance, the "Little East Knight," who stands ready to lead you back through the school year and all its events.

This year's annual with its color bannered division pages, increased text, and formalized Senior Section is the result of many hard and long hours on the part of our small staff. This year, as editor, Janet Copley master-minded a staff composed of Jim McCallum, Arlene McNeill, Mary Pat Monaghan, Judy Raikko, Carolyn Ruth, and Kathleen Tracy.

Realizing you're anxious to be on your way, we'll let you go now with this word of parting. Pause for a moment, here and there, while on your journey with Lance. The looks of anxiety, work, friendship, and fun seen in the faces throughout this pictorial revue should, with every passing year, remind you of your part in that which was "East of '58."

East High School is proud to graduate the class of 1958, our second graduating class. As your principal I wish to extend my congratulations for your success in your many pursuits. East High, at the completion of its second year, has become a school with increasing traditions, spirit, and enthusiasm. Your contributions, and those of the classes to follow, are making East an institution of high ideals, outstanding scholars, good citizens, and good sportsmen.

The discovery and development of the potential abilities of all students is the paramount objective of school. Teachers are a means to this end. Student responsibility in developing these abilities is too often ignored by the student—and all too often forgotten by the parents. If the development of potential were a three-way effort the student and the nation would benefit.

Dear Brenda,

You old "but dunker you". It's really been kicks running around with you. We have had our ups & downs, but you know how it goes. Hope we have fun in Beauty School together & on vacation. You & Chuck are really sweet together & you'd better name your little girl after me you know. It sure doesn't seem like this is the second to the last day, but it sure is. It really has been fun. Oh yes. You & Chuck better get married first before you name your girl Ipes-

The Girls Club of East High School is one of the most active organizations of the school. The purpose is to give each girl a chance to belong to a club and participate in the many activities of Girls Club. Some of the activities of the Club are All Sports Banquet, Big and Little Sister Party, Tolo Week, the Girls' Club Carnival, the Senior Tea and other activities of East High School and the community. A great deal of the success of Girls' Club depends upon the work of the cabinet. Each Home Room elects a representative who works with the Cabinet and the officers to plan the activities of the year.

The school year 1957-58 was a very active one for the Boys' Club of East High. They participated in various activities and proved helpful in many school functions. Representative of their participation in school activities were the dances which they sponsored, the concessions which they operated, and the various sales which they held during the year. Late in November they organized Freshman Day for all incoming boys. In October, during Homecoming, the Boys' Club was in charge of the annual bonfire, which really sets Homecoming in motion. All in all the East High Boys' Club proved worthy of their name.

The 1958 East High Retailers Club enjoyed an outstanding year of service to the school and to the community. Some of the major projects were the sponsoring of Girl Scout Troop No. 35, the construction of a float in Bremerton's Christmas Parade that was awarded first prize and $75 by the Chamber of Commerce, the operation and management of the student store, The Knight's Den, and the painting of large "pep" signs that were put up in the cafetorium in support of our Football and Basketball teams.

The busy and generous retailers donated a Thanksgiving basket, gave money to the United Good Neighbors, the Bellringer and lead in the campaign in Bremerton for the March of Dimes. Money making activities included pickle and apple sales, a car wash and a school Carnival booth.

To culminate a successful year, a joint employer's-employee's banquet was held by the East and West High Distributive Education Retailer's Clubs at Naval Avenue School on May 15th. Approximately fifty Bremerton Businessmen, fifty distributive education students, teachers and administrators attended. Entertainment was provided by the East High and West High Music Departments. The President of the Chamber of Commerce was the banquet speaker. Mr. Burton Persson is the Retailer's Advisor.

The Retailers in 1958 impeached all of their officers four times for not carrying out to completion the legislation resolved by the club members. This is a new East High School Club record, and even surpassed the French Government in 1958.

Gridiron spirit was high around East last fall. The swift running attack of the Knights started and ended the season in victory. All in all East totaled 191 points to the opponents combined 125. Victorious in all local games except against rival West, East experienced the worst luck against non-league teams Shoreline and Camas in games away from Memorial Stadium. Homecoming inspired a 27 to 0 victory over South Kitsap. A speedy junior backfield and a strong and improving line were East's strengths during season play and one Knight player, George Fouch, gained state-wide recognition as an end. The rewarding year-long tradition of East enthusiasm and spirit started most surely on the football field inspired by these men's performances.

East took to the hardwood in December like avenging angels and the Knight crusade didn't end until 28 games and 4 months later on the sun-lit Hec Edmundson court. Spirit was high all during the long season reaching classic proportions at the first East-West game. That game, though a losing effort, proved that "a Knight never gives up." In the next meeting East earned a decisive victory. The Knights dominated the All Olympic League Team with Bakken, Stautz and Olson making first squad and Fouch and Mahugh being nominated to Honorable Mention. Finishing the Olympic League season with a 19-1 record thus tying for first East went into the West Central district in second league position on the flip of a coin. District play was rugged and revealing and saw the team gain third place in the district later to dominate the state finals. The drama overshadowing all others started on March 12 and reached its heighth two days following when East, 12 points behind Anacortes in the last quarter, staged the greatest comeback in the history of the tournament. The record 34 points in those final 8 screaming minutes virtually assured East of its fifth-in-the-state trophy. Lyle Bakken was named to the All-State Basketball Team, Dan Stautz to the All-State Second Team and Ron Olson received honorable mention. More honors came to East when Lyle Bakken was chosen most valuable player in the State Tournament and named to the All-American Basketball Team as the only representative from Washington State. It was a fitting climax to the season, an inspiring show of team-work and school spirit long to be remembered.
